About Me

I am an IT student in my third year with growing expertise in front-end development and data science. I have practical experience in HTML, CSS, and JavaScript and continue to build my skills through online learning and small projects. I am also learning Python and data analysis to expand my technical skill set. I am a motivated, quick learner who enjoys working with modern technologies and improving through continuous practice

WORK EXPERIENCE

Front-End Development Trainee
Self-Learning / Online Platforms
2023 – Present

Completed multiple mini-projects using HTML, CSS, and JavaScript

Gained experience in responsive design and UI layout

Practicing version control and maintaining code on GitHub

CERTIFACTIONS

PITP Certificate – IT &
Computer Fundamentals
